Join the Boilermaker Band!!!

Have you ever wanted to play an instrument?

Instrumental music is available for the 4th grade and 5th grades. You get a lesson once a week for the school year.

Mr. Ebbels will be coming to each 4th and 5th grade class in September with more information on how to sign up for band lessons for the 2026-'27 school year! For any questions beforehand, please email Mr. Ebbels directly:

for more information on how to rent an instrument for the ‘26-’27 school year. Music and Arts is a trusted retail store for instrument rentals and offer competitive pricing. You DO NOT need to rent right away.

We do not offer strings (violin, cello, etc), piano, or guitar lessons at this time. Please choose from one of the instruments on the previous page.

DO NOT BUY AN INSTRUMENT ONLINE!!

It is tempting to want to buy a cheap instrument online from retailers like Amazon. We please ask that you do not do this. These instruments have proven to be very unreliable and break very easily and are more difficult to play. Renting is always the better option for beginner students.
